FOR IMMEDIATE RELEASE

The Albertville Farmers Market is excited to host its next monthly big event at the market. Join us on Thursday, June 11, 2015, 4-7PM at the market as we celebrate National Dairy Month!

We of course will have our awesome local growers from Marshall and adjoining counties with the freshest produce and foods you can get including fruits, veggies, jams, jellies, fudge, honey, eggs, meats, breads, salsa, and more

Also at the market this week is "AG in ACTION": an agriculture learning lab on wheels. It's an enclosed trailer that houses a transformed cotton picker cab, an electronic learning station and more. Bring your kiddos and let them learn more about farm life.

We will also have Earth & Stone Wood Fired Pizza who was voted the 2014 Pizza Food Truck of the Year by Mobile-Cuizine.com. Sub Zero Ice Cream is back with their delicious treats. Come watch and eat this science experiment!

We hope to have Dayspring Dairy selling their goat cheese and more!

Enjoy getting to know your farmers, have some dinner and enjoy live tunes from local musicians at the Albertville Farmers Market.

The hands that you shake at the market, are the hands that grow your food! If you want to know where your produce is coming from, the Albertville Farmers Market is where you need to be.

The market is located at 314 Sand Mountain Drive in downtown Albertville, beside the old train depot. Market hours are Thursdays, 4-7PM (May through October) and Saturdays, 8AM-12PM (June through August) rain or shine. For more information contact the Market Manager at marketmanager@cityofalbertville.com or 256-891-8202.

The Albertville Farmers Market has been revamped this year and its mission is to support the development of local sustainable farming by cultivating a vibrant market that serves as a community gathering place celebrating local farmers, food producers and artisans. Bring your family and meet your farmers at the AFM.

Thank you to the presenting sponsor, First South Farm Credit.
